Proposals regarding the better management of the Sri Lakshmi Narasimhaswamy temple at Horakeredevarapura, Holalkere Taluk.

LAST REFERENCE:—

Letter Nos. 97 and 586 249 dated 11th August & 4th November 1904, from the Deputy Commissioner Chitaldrug District

The Sri Lakshmi Narasimhaswamy temple at Horakeredevarapura in the Holalkere Taluk, is a muzrai institution endowed with a cash grant of Rs 58-1-0 per annum. It is also endowed with inam lands in the villages of Horakeredevarapura and Naidandkoor, measuring 8¼ acres and 26 guntas, assessed at Rs 62, subject to a jodi of Rs 37/- payable to Govt Besides the above the institution derives an income of Rs 17-12-0 as interest on Rs 508-13-2 invested in the Govt of India Pro notes, Rs 69-8-0 as interest on a sum of Rs 2,223-13-2 deposited in the Savings Bank, and Rs 15 as Kanikes.

A

2. The Deputy Commissioner reports with the exception of one Sirvamanya Inam

Survey No 76, measuring 16 A. 2 Sentas and assessed at Rs 8-8-0 (which is uncultivable), all the lands referred to above as having been endowed to the temple are service Inams, and the servants who are enjoying these lands are doing their duty regularly, but that the management of the temple and especially the puja is not satisfactory, and submits the following proposals in view to secure efficiency in this direction :—

(1) that the present pay of the temple servants being only Rs 24 altogether, the same should be increased to Rs 58-8-0 as per Statement submitted by him B

(2) that the scale of expenditure at present fixed for the utsavams be revised and that discontinued utsavams revived, thereby raising the expenditure from Rs 164 to Rs 219-8-0, as per Statement submitted.

(3) that out of the 5 Dharmadarsis appointed by Govt to supervise the affairs of the institution, 2 having died and one resigned the vacancies may be filled up.

(4) that the room in which the jewels valued at Rs 6,383-12-0 are being kept, being out of repairs

the same be repaired at ~~an estimated~~ a cost of Rs 250/- as per Estimate submitted by him, and the jewels left in the custody of the watchman as hitherto, for whom the Dharmadarsi and other respectable residents of the locality are standing as ~~securities~~ sureties

As the revision recommended by the Deputy Commissioner involved an additional expenditure of Rs 90/- per annum against an income of Rs 102-4-0 to the temple ~~referred to~~ as detailed above, ~~the Deputy~~ he was requested to report if the small balance of Rs 12-4-0 thus left was enough to meet the cost of any urgent repairs ~~to~~ as needed to the institution. He was also asked if it was expedient to leave the valuable jewels of the temple in the custody of the watchman and whether they might not be kept in the Taluk Cutcherry.

In reply to the above queries, the Deputy Commissioner states that the temple has at its credit a separate sum of Rs 3645-14-5, as certified to by the Treasury Officer, from which the cost of the present repairs of the value of Rs 250/- as per Estimate submitted by him may be met

balance of Rs 11-14-5 together with annual savings of Rs 12-4-0 out of the interests to due to the temple will be sufficient to meet any petty repairs that may be needed to the temple. As regards the question of the keeping of the temple jewels in the Taluk Cutcherry, the Deputy Commissioner says that as the festivals take place in the temple every now and then, the Dharmadarsi and other residents of the village are not in favor of the jewels being removed to the Taluk Cutcherry which is about 12 miles distant from it but that the same have been temporarily kept in the Cutcherry, owing to the outbreak of plague in the village

Sir,

I have the honor to state that the Sri Lakshminarasimhaswami temple at Horakeredevarpur village in the Holalkere Taluk is an important Muzrai institution, enjoying Inam lands as detailed in the annexed statement and having many devotees. It was brought to my notice that the management of this temple left much to be d. I accordingly visited the temple on 28th July 1904, and instituted the necessary

2 The Inam lands shewn in the annexed the first one are all Devadaya

Service

Service Inams and the servants who are enjoying these lands, are reported to be doing their work regularly. But the first Inam referred to is Survey No 76, a Sarvamanya Inam of 16 acres, 2 guntas, assessed at Rs 8 8 granted for no less than 11 different kinds of service viz, (1) puje (2) manbiapushpa (3) Kandiear or watchman (4) burugu or trumpet (5) bhajantri or music (6) Chekravadya or drum (7) torch (8) jinkalay or trumpet (9) Mangalarati (10) Senkw or Couche and (11) Sweeping the Devastanam. 11 Servants are thus concerned in this Sarvamanya land but it yields them no profit I am given to understand that the land has been out of cultivation for a long time and that nobody is willing to take it up for cultivation as it is stony and unfit for the plough. The cash payments made to these servants out of the temples' money grant of Rs 58-1-0 per annum, amounts to the meagre sum of Rs 24/- in all It is not therefore that frequent

of these servants more Especially the Archak
To improve the efficiency of the service and
give the poor servants an interest in their
work, it is absolutely necessary to revise the
scale of their salary. A statement showing
their names, their present and proposed salaries
and the difference that has now to be
sanctioned is herewith submitted.

3. As regards utsavams &c, a jatrā
takes place in ೨೦ ೮೬ ೬೦ every year inde
pendently of the weekly, fortnightly and
other occasional utsavams. The Expenditure
on these occasions is not regulated on a
proper basis, nor is there any regular
account maintained therefor I propose
therefore to revise the scale of Expenditure
to be incurred on these festive occasions
for which a statement is herewith submitted,
shewing the probable amount required for
each utsavam, the amount Contributed
the devotees, the small grant already
by Government and the net amount
sanctioned. Some of
the

the items provided in the statement may appear new, but they are really of long standing, having been discontinued only for a time for want of funds. The devotees of the temple consider it essential that these Utsavams should be renewed and I am of the same opinion.

4. A sum of Rs 508-13-2 belonging to this temple was invested in the Railway Debenture Loans yielding an annual interest of Rs 25-7-2 but has since been transferred to the Government of India Pro note which fetches an annual interest of Rs 17-12-0 only. There is a sum of Rs 2223-13-2 in the Government Savings Bank to the credit of this temple, fetching an annual interest of Rs 69-8-0. There is, besides an annual income of Rs 15/- under the following 5 heads viz, (1) Mande (2) Vunde (3) Chekrante (4) Dindi Boculu and (5) Bayi Beega (Vide Government Order No. 247 dated 4/6th September 1899). The receipts the above heads may thus be taken

amount to Rs 102/4 while the Extra expenditure involved in the foregoing proposals, as detailed in the Enclosed statements, does not Exceed Rs 90/- I may here state that Every Endeavour was made to scrutinize each item of Extra Expenditure so as to keep the same well within the amount available from the sources above pointed out. I beg therefore that the foregoing proposals may be placed before Government for favorable Consideration

5 The following 5 persons Viz

(1) Shanbhogue Rangamma
(2) Pulla Linga Bhatar
(3) Palarvanahalli Kariyamma
(4) Madderu Ramamma and
(5) Mattigatta Patel Guruyamma

were appointed Dharmadarsis to manage the affairs of the temple in Notification No 503 dated 13th November 1893 Of them, the 3rd and the 4th since died while the 5th has resigned seat. The Vacant places may be given Mattigatta Sanna Rangamma (2) Samaraya Rangappa.

Rangappa and (3) Burugina Horakeriah, and the other two old Dharmadarsis may be continued in office for 5 years more and the names of all the five notified in the Gazette.

6. The temple owns jewels and other valuables to the extent of Rs 6383 12 and they have all along been left in charge of the temple servants and the Dharmadarsis to facilitate their use during festivals and utsavams. I do not propose any change in this arrangement and if this is approved, the property will continue to be kept in the temple under the care of the watchman Sanjivayya. The Dharmadarsis and other respectable inhabitants of the village have agreed to stand sureties for Sanjivayya against any loss. The enclosed stamped muchalikas to that effect have been executed both by the sureties and S

7 The temple is in urgent need of repairs. The door of the room in which jewels and other valuables are kept

of order and far from being safe. An Estimate for this and other necessary items of repairs will be submitted at an Early date. Provision will also be made for a strong box for the jewels.

Sir,

With reference to your letter No 1467 dated 26th/28 October 1904, calling for further information regarding the revision of the scale of Expenditure in the Sri Lakshmi Nara-simha swamy temple at Horakeredevarpura in the Holalkere Taluk, I have the honor to state that apart from the investments in the Government of India Promissory Notes and the Mysore Government Savings Bank as reported in my previous letter, the temple at its credit under the Muzrai head, of Rs 365-14-5, for which a certificate Treasury Officer is hereunto attached

attached. Out of this amount, about Rs 250/- will be required for the execution of urgent repairs for which an estimate is herewith submitted for favor of early sanction. I have personally inspected the temple and found that all the items of repairs provided in the estimate are quite essential. The estimate also provides for a teakwood box for the custody of jewels and other temple property.

2. The net balance of Rs 115-14-5 thus left in the Treasury together with an annual saving of about Rs 12-4-0 as shewn in the margin will, I consider, suffice to meet the cost of occasional petty repairs &c.

3. The Dharmadarsis and others interested in the temple are not in favor of the jewels of the temple being secured in the Bank Treasury as is done in the cases of some other important as the jewels have to be used Saturday for Ezhunnallathu and for important utsavams as

It also derives an annual income of Rs. 17-12-0 as interest on Rs. 508-13-2 invested in the Govt. of India Pro-Notes, Rs. 69-8-0 as interest on Rs. 2,223-13-2 deposited in the Savings Bank and Rs. 15 in the shape of kanikes.

2. He further reports that with the exception of one Sarvamanya Inam land, Survey No. 76, measuring 16 acres and 2 guntas and assessed at Rs. 8-8-0, which is unculturable, all the abovementioned lands have been endowed to the temple for services to be rendered therein and that such services are rendered regularly by the persons in the enjoyment thereof, but that the management of the temple and especially the puja therein are not properly conducted, and submits the following proposals in view to secure efficieney in this direction ;—

(1) that the present pay of the temple servants be raised from Rs. 24 to Rs. 58-8-0 per annum as per statement marked B ;

(2) that the scale of expenditure fixed for the Utsavams in the temple be revised and the discontinued Utsavams revived, raising the expenditure from Rs. 164 to Rs. 219-8-0 per annum as per statement marked C ;

(3) that of the 5 Dharmadarsis appointed under Government Notification No. 503, dated 13th November 1893, to supervise the affairs of the temple, Karianna and Ramanna having died and Patel Girianna having resigned, these vacancies be filled up by the appointment of (1) Mattigatta Sanna Ranganna, (2) Sameraya Rangappa and (3) Burugina Horakeriah as Dharmadarsis ;

(4) that the room in which the jewels of the temple valued at Rs. 6,383-12-0 are kept, being out of repair, the same be repaired at a cost of Rs. 250 as per statement submitted by him ; and

(5) that the jewels of the temple being required every now and then for Utsavams etc, the same may be kept in the temple in the custody of the watchman Sanjeevaiya as hitherto, for whom the Dharmadarsis and other respectable residents of the locality stand as sureties.

3. With reference to the proposals of the Deputy Commissioner contained in clauses (1) & (2) of para 2 above, the Govt. observe that they involve an additional expenditure of Rs. 90 over the present scale, which the Deputy Commissioner proposes to meet from the annual income of Rs. 102-4-0, derived by the temple in the shape of interest, etc., on the moneys belonging to it and from kanikes as detailed in para 1 above. These proposals are approved.

4. The custody of the jewels may, as proposed, be left with the watchman, but proper security bonds to the full value thereof should be obtained from the persons referred to by the Deputy Commissioner as standing security for the watchman.

5. The estimate for Rs. 250 for the repairs of the temple is also sanctioned, the charge being met from the savings of Rs. 365-14-5, reported to be separately available at the credit of the institution at the end of August 1904 as per Treasury Officer's certificate dated the 10th September 1904.

6. A notification will separately issue appointing Sanna Ranganna, Sameraya Rangappa and Horakeriah as Dharmadarsis of the institution, as recommended by the Deputy Commissioner.

7. As the full amount of interest on the Savings Bank deposit of Rs. 2,223-13-2 is hereby allowed to be utilized towards the increase of pay, etc., in accordance with the revised scale, the Deputy Commissioner is requested to issue orders to the Amildar that no portion of this deposit amount (capital) be operated upon in future. At the same time the Deputy Cemmissioner is requested to report whether the sum of Rs. 2,223-13-2 referred to above, may not with advantage be invested in Government Securities carrying interest at 3½ per cent per annum.
